

THE DUKE OF YORK IS A WONDERFUL PERSON

A column.

VALENTIN BURA

Andrew, The Duke of York is a wonderful person.

A true navy man, faithful to the navy code of discipline, gallantry and hard work.

He raised two wonderful daughters and defended the honour of his family with assiduity and great demeanour.

Only true men have daughters and his daughters are great.

I am truly in love with Andrew's family!

I mean… what is it the man **could've possibly** done?? Enjoy a glass of wine with a young lady?

There have been no allegations of brutality or violence, as it is the custom in Freemasonry and Masonic circles…

This man is a true gentleman, a man faithful to his word and Royal etiquette.

The Duke of York is a true Royal!!

Honestly!!
